30 YEARS. ONE STORY. MANY WAYS I CAN HELP.

Different chapters. Same through-line: Solve problems. Build better. Deliver results.

A career built at the intersection of technology, business, and people—
helping teams, customers, and organizations succeed.

MY CAREER STORY

A timeline of impact and growth

CHAPTER 1

TECHNOLOGY SALES & PRODUCT ENABLEMENT

Immersion Corporation
(NASDAQ: IMMR)

Bridged technology and business to drive adoption and growth.

Partnered globally with customers, partners, and engineering teams.

Translated complex tech into business value and solutions.

1992 – 2002
10 YEARS

CHAPTER 2

BUSINESS OWNER & OPERATOR

Real Estate Operations & Property Management

Built and operated real estate businesses for over a decade.

Led people, budgets, vendors, and operations. Improved systems and processes.

Adopted technology to automate workflows and improve customer experience.

2002 – 2016
14 YEARS

CHAPTER 3

SOFTWARE ENGINEERING & TECHNOLOGY

Teaching Strategies | ReadyRosie

Built and supported SaaS platforms used by educators and families.

Improved reliability, integrations, and data quality to drive better outcomes.

Partnered with Product, QA, and stakeholders to deliver customer-focused solutions.

2017 – 2025
8+ YEARS

THE THROUGH-LINE

Understand needs and build trust

Design and improve systems & processes

Deliver results that matter

Create value for people and business

THE COMMON THREADS ACROSS EVERY CHAPTER

PEOPLE LEADERSHIP

Led teams, supported colleagues, and built strong partnerships.

PROBLEM SOLVING

Tackle complex challenges and turn them into simple, effective solutions.

SYSTEMS THINKING

Build, improve, and scale systems that make work better and easier.

CUSTOMER FOCUS

Listen, translate, and deliver solutions that create real customer value.

OWNERSHIP & IMPACT

Take ownership, execute end-to-end, and drive measurable results.

DIFFERENT ROLES. SAME STRENGTHS. BIG IMPACT. ➔

HOW I CAN HELP YOU

The same strengths applied in different ways depending on what you need.

SOLUTIONS / SALES ENGINEER

Bridge technology and business to design solutions, drive adoption, and win trust.

TECHNICAL ACCOUNT MANAGER

Build strong relationships, ensure success, and drive customer outcomes long-term.

CUSTOMER SUCCESS

Understand needs, proactively solve problems, and maximize value for customers.

OPERATIONS / GENERAL MANAGEMENT

Improve systems, lead teams, manage resources, and drive efficiency and performance.

SMALL BUSINESS / ENTREPRENEURSHIP

Start, build, and grow businesses. Wear many hats. Make smart moves. Get things done.

NEED INCOME NOW / GET THINGS DONE

Roll up my sleeves, learn fast, add value quickly, and help you move forward.

Different titles. Different industries. Same mission: Solve problems. Build better. Deliver results.
